Kevin,

I spoke to Stevie this morning and she has compiled the list of analytes & QLs and I mentioned to her about the need for Tier 1/Tier 2/On-Demand information and that I sent that request to you. We had the opportunity to talk to Jill and she's willing to assist with this. I wasn't sure how far along you were with this so feel free to contact Jill (or Stevie) to coordinate this effort.

Thanks,

Cindy
